#### **Reports**

1. Student Representatives Report – January 2025......23-24

Trustee Burke: Asked if Teen Space statistics report the number of unique visitors or total visits, i.e. if one student visits Teen Space every day of the week, does that count as 5 visits?

Director Farkas: Clarified that, yes, the Teen Space statistics report the total number of visits.

Trustee Crawford: Gave report in Trustee Sturing's absence. Encouraged everyone to read through the Library's annual report because the numbers are remarkable. Attended the MLK Day event which was inspirational; commended Programming Coordinator Gail Anderson on this event. Attended the Abraham Lincoln impersonator event put on by the Novi Historical Commission last week which was entertaining and educational. Reminded everyone that programs at the Library are free, but you do need to register for many of them. Many programs fill up quickly, but you can get put on a waitlist. Please let the Library know if you are no longer able to attend, so that someone from the waitlist can take your place. The next Historical Commission event is about Belle Isle and will take place in March. Reminded Board Members that the election of officers for the next year will take place at the March board meeting, so if you are interested in a position, let Trustee Dooley know. You can also change what committees you are part of. These will be appointed in May for the following year.

Director Farkas: A motor in the Library's vestibule heating system, which was 15 years old, broke this week, causing cold temperatures in the lobby. The part is on order and should arrive in the next few days. The Library closed early at 5:00pm on Wednesday, February 12 because the roads were starting to get slippery and we wanted to ensure staff could get home safely. We did not have to close or have a delayed opening today (Thursday, February 13) because we did not get as much snow as predicted and the roads got cleared well. Always speaks to the City's Department of Public Works about the road conditions before making a decision to close, and also views security cameras from home to know if our vendor has cleared the parking lot. We have added courtesy phone charging stations throughout the building. The Library is partnering with Fox Run for 2 author events in April that will take place at Fox Run.
