Rowdy Reindeer Cupcakes

Ingredients:

- * Pretzels (standard shape)
- * Chocolate frosted cupcakes
- * Tootsie Roll
- * Vanilla Wafer
- * Red and brown M&Ms
- * Candy eyes (or more colored M&Ms)

1. For each reindeer cupcake, carefully snap two pretzels into antler shapes and press them into the top of a chocolate frosted cupcake.
2. Press on a vanilla wafer at the bottom of the cupcake for a snout. Use a small dab of frosting to add either a brown or red M&M for a nose at the top of the wafer cookie.
3. Shape two ears from the Tootsie Rolls (you can cut the rolls into pieces if you want smaller ears). Arrange the Tootsie Roll ears near the antlers.
4. Finish by adding Candy Eyes or M&Ms for your reindeer eyes. Enjoy!
